

# ROADSHOW

## for business owners

Learn more of available support for business owners at the Western Cape Government's Incentives Roadshow.

The Department of Economic Development and Tourism (DEDAT) will be hosting an incentive roadshow, bringing various national departments and business development support agencies to your region.

The goal of the roadshow is to create awareness regarding funding, incentives and other forms of support offered by government and its agencies to established businesses.

The roadshow is specifically targeting, but not limited to, established businesses in operation for more than 12 months and operating in the manufacturing, ICT, technology, metals and engineering, green economy and agri-processing sectors.
